

Gunnison County Electric Association

GCEA SUPPORT DURING COVID-19

Gunnison County Electric Association (GCEA) understands members will be facing hardships resulting from the COVID-19 pandemic and we would like to put your minds at ease when it comes to their electric bill.

GCEA would like members to know that we will not disconnect any small commercial or residential service and will not charge any late fees until further notice. This also includes our prepay meters.

GCEA will also be working with members who will have trouble paying their electric bills until further notice. We can set members up on a payment plan to help ease the situation they are currently faced with. If you need help setting up a payment arrangement, please call 970-641-3520 to speak with one of our member support specialists.

To help ensure the health of the public and employees, GCEA's Gunnison office is closed to walk-in traffic and the Crested Butte office is closed. The Crested Butte Office has temporarily discontinued accepting payments in person and through the drop box located in the Crested Butte Bank lobby. We still have essential staff working in the Gunnison office to help members with questions and payment arrangements.

If you are looking for ways to pay your bill other than in person, please visit www.gcea.coop, call 1-844-GCEA-PAY or you can use the drop box at the Gunnison office. Payments can also be mailed to GCEA, PO Box 180, Gunnison, CO 81230.

GCEA staff has a plan in place to keep the electricity on for members. Rest assured, linemen will respond to any outages if they happen.

GCEA staff and The Board of Directors would like members to know that we are here to help our community during this difficult time.

Our goal is to keep the lights on for our members and to keep the community safe and healthy. We apologize for any inconvenience these changes may cause. We will keep members updated on any new information. For the most current updates, follow us on Facebook at Gunnison County Electric Association. If you have any questions, please call GCEA at 970-641-3520.
